

Based on the First Amendment of the U.S. Constitution which states:

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

We hereby petition the Fluvanna School Board, elected body of Government, to redress the grievance of approving a 90 million dollar plus building program without requesting a referendum on the question. The relief sought is to have said referendum before proceeding with the project.

As this petition is strictly based on the above article which specifies "the people", it is implied that the only requirement for signing is being a resident of Fluvanna County.
